

The Bromeliad Society of Queensland Inc

Competition Show Schedule

Venue: _____ **Date:** _____ **Hours:** _____

(Details entered when show location is finalised.)

Conditions of Entry

1. This show is judged by the Bromeliad Society International Handbook Standards.
2. Whilst great care will be exercised, BSQ Inc. is not responsible for loss or damage to the property of the exhibitor.
3. The eligibility of entries in any class will be determined by the Chief Competition Steward, whose decision is final.
4. The Judges' decisions are final.
5. The Show Chair shall be the final authority on any show related matter not covered in this schedule.
6. An exhibitor must be a member of The Bromeliad Society of Queensland.
7. Plants must be the property of the exhibitor and must have been in his or her custody for the previous 6 months.
8. A limit of three (3) entries per class per ordinary member of the BSQ Inc. will apply.
9. Each exhibitor may only enter one (1) entry of each variety or cultivar in a class.
10. Each plant to be entered in the competition must be listed on this schedule. This includes Category 2 artistic entries.
11. Entries will be received up to **1:00pm** on the day of set-up. Late entries must be approved by the Show Chair prior to the day of the show.
12. Each competitor must obtain a registration number from the Chief Competition Steward.
13. Each plant must have an identification sticker attached to the plant pot or mounting. These stickers are available from the Chief Competition Steward and must be completed using waterproof ink.
14. Plants must be correctly labelled, free of disease or infestation, established in the pot or on the mounting and in show bench condition. Plants grown in a Fire Ant treatment area must be accompanied by ARMP documentation.
15. All water must be emptied from the plant and the pot dried off before the plants are placed on the show bench.

Ribbon Award Judging: Merit Judging

Award of merit	95 - 100
Blue	90 - 100
Red	85 - 89

Notes for Competition Schedule

Definitions

Single Bromeliad: Any standard, non-decorative pot (or mount); containing one mature or near mature bromeliad. May include only immature offsets that are too small for removal from the mother plant; determined by Classification at time of entry.

Multiple: Any standard, non-decorative pot (or mount) containing two or more mature or near mature bromeliads (with or without offsets) all of which are naturally interconnected by an

intact rhizome. If the two or more adult bromeliads are not naturally interconnected, this generally is considered a 'collection' and needs to be entered as a Horticultural Display.

Blooming: Must have flower (i.e. petals) or mature unopen buds evident. If a multiple at least one plant must have a flower (i.e. petals) or mature unopened buds evident.

Non Blooming: No inflorescence. Very immature inflorescence permitted but will be judged accordingly. May include immature offsets too small for removal.

Horticultural Display: May be started from one or more bromeliads from the same or different genera, species, varieties, forms, hybrids or cultivars and allowed to grow and multiply in a natural fashion with emphasis on horticultural excellence. Must be mounted epiphytically or potted in nonstandard, non-decorative containers. Plants not mounted on or in any media cannot be entered in this division. Cork, tree fern, non-decorative baskets, terrariums and dish gardens are permissible.

Novice: An exhibitor who has not been awarded an Award of Merit or Blue Ribbon at a show.

1. Classes 1 to 21 (incl) A single specimen. Blooming.
2. Classes 22 to 42 (incl) A single specimen. Non blooming.
3. Classes 43 to 51 (incl) A multiple. Blooming.
4. Classes 52 to 60 (incl) A multiple. Non blooming.
5. Classes 61 to 62 (incl) Horticultural Display. Must emphasise bromeliad/s. Blooming. Must be established in pot or mount. No artificial material to be used.
6. Class 63 to 64 (incl) Horticultural Display. Must emphasise bromeliad/s. Non blooming. Must be established in pot or mount. No artificial material to be used.
7. Classes 65 to 69 (incl) Must have a themed name given by the exhibitor and displayed with the arrangement.
8. Class 70 is to be submitted electronically a week prior to the show and to be emailed to publicity@bromsqueensland.com.au including name of entrant, phone number and class.
9. Classes 71, 72, 73 must have name of entrant, phone number and class on the reverse side of entry. Entries are accepted in black and white or colour.
10. Classes 74 and 75 Theme may be display or educational. Other plants, natural or artificial adjuncts are allowed, but judging will be on the basis of plant quality and effective presentation of bromeliads.

Awards eligibility

11. The entry must be properly named at the time of entry and classification.
12. The entry must score 95 or more points and must be: an identified species; a bromeliad listed in the Bromeliad Cultivar Registry; a bromeliad which is in the process of being registered with the BSI Cultivar Registration Chair; or listed by formula.
13. A novice may not compete for any major awards.

Awards

14. A trophy will be awarded for the **Champion Bromeliad of Show**.
15. A trophy will be awarded for the **Reserve Champion Bromeliad of Show**.
16. A trophy will be awarded for the **Best Bromelioideae** on the show bench.
17. A trophy will be awarded for the **Best Pitcairnioideae** on the show bench.
18. A trophy will be awarded for the **Best Tillandsioideae** on the show bench.
19. A trophy will be awarded for the **Best Cryptanthus** on the show bench.
20. A trophy will be awarded for the **Best Species** plant on the show bench.
21. A trophy will be awarded for the most successful **Novice** exhibitor.
22. A trophy will be awarded, '**Presidents Award**' at the discretion of the BSQ President.
23. A trophy will be awarded for the most successful **Non Commercial** exhibitor.
24. A trophy will be awarded for the most successful **Commercial** exhibitor.

25. Plants eligible for classes 77 and 78 will be the first place winners from classes 79-81.
